

Leo Cherne

*Executive Director
The Research Institute of America, Inc.
389 Fifth Avenue, New York 17, N.Y.*

Here is the Research Institute's analysis and guide to the election. We believe you will find it complete, factual and non-partisan.

I'd like to point out one innovation: the center spread is a chart which our experts originally devised for themselves to keep track of the news developments. We feel certain that you will find this election guide sheet useful through the campaign ahead.

We will, of course, welcome your comments and criticisms.

Leo Cherne

MEMORANDUM FOR: MR. DULLES

DD/I, DD/P, DD/S and Stan Grogan have
seen these.
